Dr. Om Taneja, Newsletter Editor, and Dr. Rajinder Singh, Co-Editor

Presidential Message

Dear Esteemed ASHRAE Members and Distinguished Readers,

I am pleased to share updates on the programs held in November 2024.

ASHRAE India Chapter organized four insightful webinars in the months of November 2024. The topics covered were:

1. "Innovative Approaches to Car park Ventilation Design with CFFD and Dynamic Visual Analytics by Mr. Abhishek Jain, AIC Vice President to the students of Royal University Bhutan Student branch.
2. "Basics of IAQ in the Built Environment" presented by AIC YEA Co-Chair Mr. Lejo Jose.

I am thrilled to announce that ASHRAE India has established two new student branches at Netaji Subhas University of Technology (NSUT) Delhi and Dronacharya Group of Institutions, Greater Noida. Additionally, we have revived our old branch at Delhi Technical University (DTU). All credit for these achievements goes to our SA Chair, Dr. Rajinder Singh, who delivered motivational lectures at these colleges and inspired students to join ASHRAE.

Lastly, I would like to request that each member to contribute in ASHRAE Research Promotion. Even a small donation will make a significant impact, supporting research initiatives that drive innovation and excellence within our industry.

Warmest Regards,

Arundhati Singh Khanna

President, ASHRAE India Chapter

Motivational lecture:02

Date: 08 November 2024

Venue: Netaji Subhas University of Technology (NSUT), Delhi

An expert motivational lecture was delivered by SA Chair Dr. Rajinder Singh at the Netaji Subhas University of Technology (NSUT), Delhi. Lecture was attended by more than 70 students and well appreciated by students and professors. The lecture covered the scope and applications of Refrigeration and Air Conditioning, along with the various benefits of becoming an ASHRAE Student member.

Expert lecture:01

Date: 11th November, 2024

An expert lecture on the topic of "Innovative Approaches to Car Park Ventilation Design with CFD and Dynamic Visual Analytics" was delivered by ASHRAE India Vice President Mr. Abhishek Jain to the students of the Royal University Bhutan Student Branch. This online session was attended by 70 students. SA Chair Dr. Rajinder Singh and CTTC Chair Mr. Gaurav Mathur also joined the session and motivated students with their valuable insights.

Motivational lecture:03

Date: 12th November 2024

Venue: IIMT College of Engineering, Greater Noida.

An expert motivational lecture was delivered by SA Chair Dr. Rajinder Singh at IIMT College of Engineering, Greater Noida. The lecture was attended by more than 50 students and was well appreciated by both students and professors. The session covered the scope of "Refrigeration and Air Conditioning - Innovation and Entrepreneurship," along with the various benefits of becoming an ASHRAE Student member. IIMT College has requested SA Chair to organize more expert lectures at their institution.

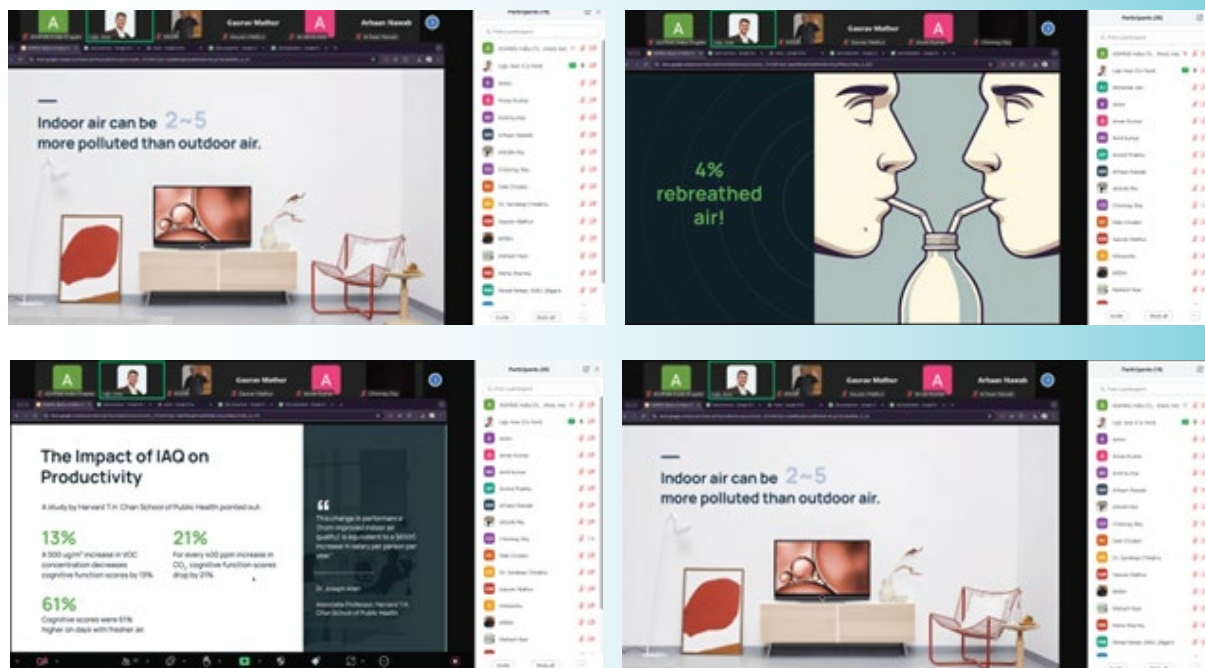

02

Webinar: 02

Date: 29th November 2024

The ASHRAE India Chapter organized a webinar on "Basics of IAQ in the Built Environment" presented by AIC YEA Co-Chair Mr. Lejo Jose. The webinar was attended by 30 participants and was highly appreciated by all attendees.

Career Opportunities with ASHRAE

ASHRAE's mission is to serve humanity by advancing the arts and sciences of heating, ventilation, air-conditioning, refrigeration, and their allied fields. ASHRAE's vision is healthy and sustainable built environment for all.

If you are seeking a job in the engineering field or searching for the most qualified engineers, the ASHRAE job board offers the most qualified opportunities and candidates. Engineers can set up a personal account for job searches, manage resumes, and create alerts for new job postings. Employers can set up corporate accounts to post new jobs, review resumes, and manage security.
